Assertion 10

The Parish Council has responded no to assertion 10 because we did not meet all requirements for this new assertion, which was introduced mid-year. We will remedy this by doing the following:

- Accessibility statement to be drafted and published
- Data protection policy to be drafted, adopted and published
- Publication scheme will be updated, adopted and published

All for the July 2026 council meeting.

Practicalities of a full data audit to be investigated and planned with intention to complete by end Q2 (Sept 26).

We also intend to assess any requirement for data protection training and address this if required.
